Sarah,

I see this is a follow up to the previous 114 letter, is it a few remaining questions that have not been answered or extensive additional questions? Any extra information for me?

Maria

Hi Maria and Randy,

EPA is issuing an information request to Ahlstrom in Kaukauna requiring information on its compliance with the permit limits for SO<sub>2</sub>. This is a follow up to the information request sent to Expera, the previous owner in 2018. Please let me know if you have any further questions or concerns.
